November 23, 2016

Columbia Elementary School—Grades PK-2nd

Our Lost and Found is overflowing! If your child is missing a lunchbox, a hat, a sweatshirt or a jacket have them check the lost and found.

We have many different opportunities to **support our community throughout the next month.** The student council is **holding their annual food drive**, collecting nonperishable items for the food pantry.

Columbia Upper Elementary School –Grades 3-6

Order forms for the CUES Yearbook have been sent home. The cost of a yearbook is \$9. Order dead-
line is November 28th.

Thank you Kelly fuels, Inc., for the generous grant to support math and science programs at CUES. Your generosity is greatly appreciated.

Columbia Central Junior High School-Grades 7 & 8

104 out 185 students were represented at **CCJH Student Led Conferences.** Students presented their e-portfolio and parents gave many compliments on the structure and organization of the conferences.

Our 8th grade students were able to **visit Eastern Michigan University. For the Just Build It workshop.** The workshop focused on building self-esteem and positive learning qualities in our young ladies. The girls had a great time and we are hoping for an even better turnout in the spring.
